Awards after each race

Volunteers Supporting the Race (Assumption, San Jose, Holy Family)

All volunteers are asked to arrive at 7:30 to receive instructions about their duties during the race and allow time for the League Director to place volunteers where needed.

Coaches Meeting

All coaches are asked to meet at the Directors table to receive last minute instructions from the League Director.

Administrative Announcements

Administrative announcements are made to the crowd followed by a prayer by the host school member and honors to the nation by the host school.

Race Sequence

The following race sequence is followed as closely as possible. Delays or faster start times will be announced over the PA system at the race. Coaches are asked to have their runners at the start line at least 5 minutes before the start time for starter instructions.

Parking

Parking lots adjacent to the football field and basketball gym.

Bathrooms

Open on the track

Team Tent Area

Teams may set up on the grass/concrete walkway in between the football field and the baseball field. PLEASE REMIND YOUR TEAMS THAT NO ONE IS ALLOWED ONTO THE BASEBALL FIELD.

DOSA-CC
BISHOP KENNY – MEET #3

Spectator Areas

The starting line and finish line will be visible from the River Field. Spectators may view the races anywhere they wish outside the roped off areas around and along the course if they wish. Please stay out of roped off areas and off of the infield of the track.

Water Station

There is a water table for runners at the finish chute. Coaches are highly encouraged to bring additional water for their teams.

Concessions

TBD

Start Line

Start line is in the middle of the river field. Start box assignments are located on your coach's packet. All races start in the same box. The starter will have box assignments also.

Finish Line

The finish line is adjacent to the start line on the river field. The finish chute area is roped off, only race officials, coaches and volunteers are allowed in this area during the meet. Please keep all chipped runners away from the finish line who are not in the race.

Course Markings

The entire course is marked with colored cones on both sides of the route. In cases where there is a tree line or fence on one side of the course cones will mark one side of the course and the tree line or fence will serve as the boundary of the other side of the course path. Flags and turn signs will mark the turn for different courses. The path to the course will also be painted on the ground at key turns.

Presentation of Awards

We will announce all award winners after all races have finished.
