### **Volunteers Supporting the Race**

All volunteers are asked to arrive at the predetermined time to receive instructions about their duties during the race and allow time for the League Director to place volunteers where needed.

### **Coaches Meeting**

All coaches are asked to meet at the finish line to receive last minute instructions from the League Director. All bibs and chips will be distributed at the coaches meeting.

### **Administrative Announcements**

Administrative announcements are made to the crowd followed by a prayer by the host school member and honors to the nation by the host school.

### **Race Sequence**

The following race sequence is followed as closely as possible. Delays or faster start times will be announced over the PA system at the race. Coaches are asked to have their runners at the start line at least 5 minutes before the start time for starter instructions. **For this race only we will go from 3K to 1K.** They will wear bibs and be hand timed.

### **Parking**

Parking is available in front of the football/track entrance as well in front of and behind the gym.

### **Bathrooms**

The bathrooms will be open and are located under the press box.

### **Team Tent Area**

Teams may set up their tents behind the home stands or by the Pavillion. **NO TENTS ON THE BASEBALL/FOOTBALL/SOCCER FIELDS. NO TENTS NEAR THE FINISH LINE OR BY THE RIVER.**

### **Spectator Areas**

Spectators may view the races from either set of bleachers or anywhere they wish outside the roped off areas around the start and finish lines.

### **Water Station**

There is a water station for runners at the finish chute. Coaches are encouraged to bring additional water for their teams.

### **Concessions**

Guanabana Truck outside of the entrance.

### **Start Line**

The start line is located on the throwing/soccer field next to the tennis courts. Start boxes will be marked on the ground. Start box assignments will be attached in the email. All races start in the same box. The starter will have box assignments also.

### **Finish Line**

The finish chute area is roped off, only race officials, coaches and volunteers are allowed in this area during the meet. Please keep the runners away from the finish line who are not in the race. Especially runners with chips on them, as their chips will get tagged in the results.

### **Course Markings**

The entire course is marked with colored cones on both sides of the route. In cases where there is a tree line, fence, or river on one side of the course, cones will mark one side of the course and the tree line, fence, or river will serve as the boundary of the other side of the course path. Flags and turn signs will mark the turn for different courses. The path to the course will also be painted on the ground at key turns.

### **Presentation of Awards**

Awards will be handed out as soon as the runners pass the finish line.
