Volunteers Supporting the Race

All volunteers are asked to arrive at the predetermined time to receive instructions about their duties during the race and allow time for the League Director to place volunteers where needed.

Coaches Meeting

All coaches are asked to meet at the finish line to receive last minute instructions from the League Director.

Administrative Announcements

Administrative announcements are made to the crowd followed by a prayer by the host school member and honors to the nation by the host school.

Race Sequence

The following race sequence is followed as closely as possible. Delays or faster start times will be announced over the PA system at the race. Coaches are asked to have their runners at the start line at least 5 minutes before the start time for starter instructions.

Parking

There is a large parking lot adjacent to the start/finish line. As you enter the complex, drive straight through the 4-way stop, go to the round-a-bout, take the first right and proceed to the north end of the parking lot. You can park anywhere in the parking lot. If it is full, go back out and park in the large parking lot to the south of the main building.

Bathrooms

Bathrooms are located inside the main building, entrance is near the finish line area

Team Tent Area

Teams may setup on the grass just to the south of the parking lot or where the team wants provided the location does not interfere with race operations.

(LEAGUE CHAMPIONSHIPS)

Spectator Areas

Spectators may view the races anywhere they wish outside the roped off areas around the start and finish lines and along the course if they wish. Please stay out of roped off areas.

Water Station

There is a water station for runners at the finish chute. Coaches are encouraged to bring additional water for their teams.

Concessions

TBD

Start Line

Start line is adjacent to the parking lot. Start box assignments are located on your coach's packet. All races start in the same box. The starter will have box assignments also.

Finish Line

The finish line is adjacent to the main building. The finish chute area is roped off, only race officials, coaches and volunteers are allowed in this area during the meet. Please keep runners away from the finish line who are not in the race

Course Markings

The entire course is marked with colored cones on both sides of the route. In cases where there is a tree line or fence on one side of the course cones will mark one side of the course and the tree line or fence will serve as the boundary of the other side of the course path. Flags and turn signs will mark the turn for different courses. The path to the course will also be painted on the ground at key turns.

Presentation of Awards

Awards are presented after all races have finished. If an athlete cannot remain to receive his or her medal and team coach can collect them and issue them to the athlete later.
