

DOSA-CC

Florida State College of Jacksonville (North Campus) - MEET #1 - 2022

Date: Wednesday, September 7th, 2022

Location: 4501 Capper Rd, Jacksonville, FL 32218 (Athletic Facilities)

4:00pm	Opening Prayer / National Anthem / Announcements
4:15pm	Race 1 - 1K Elementary K-2nd Boys & Girls
4:35pm	Race 2 - 2K Elementary 3rd-5th Boys & Girls
5:00pm	Race 3 - 3K Middle School 6th-8th Boys & Girls

Times are approximate times we will run on a rolling schedule (Next race on the start line 5-10 min before the race starts.)

In the event of severe weather (Thunderstorms, tornado warning, hurricane warnings, etc.) schools, coaches, and parents will be officially notified via email **no later than noon** the day of the race. If there is light rain forecasted, the league will still attempt to run the meet during or after the afternoon shower. This may push the race times back slightly.

Timing

UltimateRacingINC.com for immediate results

Volunteers Supporting the Race

All volunteers are asked to arrive at the predetermined time to receive instructions about their duties during the race and allow time for the League Director to place volunteers where needed.

Coaches Meeting

All coaches are asked to meet at the finish line to receive last minute instructions from the League Director. All bibs and chips will be distributed at the coaches meeting.

Administrative Announcements

Administrative announcements are made to the crowd followed by a prayer by the host school member and honors to the nation by the host school.

Race Sequence

The following race sequence is followed as closely as possible. Delays or faster start times will be announced over the PA system at the race. Coaches are asked to have their runners at the start line at least 5 minutes before the start time for starter instructions.

Parking

Take Capper Rd past the main campus down to the Softball field. Parking is available in front of the softball field and track entrance.

Bathrooms

DOSA-CC

Florida State College of Jacksonville (North Campus) - MEET #1 - 2022

Team Tent Area

Teams may set up their tents in the designated area. (see map)

Spectator Areas

Spectators may view the races from anywhere they wish outside the roped off areas around and the start and finish lines.

Water Station

There is a water station for runners at the finish chute. Coaches are encouraged to bring additional water for their teams.

Concessions

Guanabana Truck outside of the entrance.

Start Line

The start line is located on the west end of the track. Start boxes will be marked on the ground. Start box assignments will be attached in the email and in the google drive coaches folder. All teams start races in the same box number. The starter will have box assignments also.

Finish Line

The Finish line will be parallel to the softball field and parking lot. The finish chute area is roped off and only race officials, coaches and volunteers are allowed in this area during the meet. Please keep the runners away from the finish line who are not in the race. Especially runners with chips on them, as their chips will get tagged in the results.

Course Markings

The entire course is marked with colored cones on both sides of the route. In cases where there is a tree line, fence, or river on one side of the course, cones will mark one side of the course and the tree line, fence, or river will serve as the boundary of the other side of the course path. Flags and turn signs will mark the turn for different courses. The path to the course will also be painted on the ground at key turns.

Presentation of Awards

Awards can be picked up at the awards table approximately 10-20min after the completion of each race once the timer has released the results.
