

# Clarke Schools for Hearing and Speech

## **We're All In This Together: The wait is on for Ice Cream!**

The health and safety of all of you who support the Kilwins Ice Cream Run, benefiting Clarke Schools for Hearing and Speech, is our primary consideration.

Because this is such an uncertain time, we have made the difficult decision to defer our race until March 27, 2021 with the hope that we can be safely together again. We are already making the plans!

Clarke's dedication to our mission goes on! While we are all adjusting to this new reality, we want you to know that our children who are deaf or hard of hearing continue to learn to listen and talk in their virtual classrooms and receive individual, daily speech sessions with our amazing team of teachers and Speech & Language Pathologists. Our students cannot afford to be put on hold.

We thank you for your understanding and ask that you please select one of three options below:

**I want to continue to help the children at Clarke!!** Please keep my registration fees for 2020 as a donation to support the ongoing mission of Clarke Schools for Hearing and Speech. A letter will be sent acknowledging your tax-deductible donation.

**Please roll my registration fees to the 2021 Kilwins Ice Cream Run.** Looking forward to this great event. See you then!

Please refund my registration fees for this year's run. Deadline to receive a refund is Monday, April 20, 2020. To receive a refund, please make your request on Its Your Race, site below:
